

Unhallowed (Dungeons & Dragons Miniatures Booster Pack)

Characters and creatures from the darkest reaches of the D&D universe lurk within this expansion for the Dungeons & Dragons CMG, featuring figures drawn from key D&D titles including the Expanded Psionics Handbook and various Eberron and Forgotten Realms supplements. Each booster contains eight randomized, pre-painted plastic miniatures complete with stat cards, plus an additional epic-level stat card for specific figures, and an Unhallowed set checklist.
