

Salt of the Earth (The Acquisition of the Holy Spirit in Russia Series, Vol. 2)

Salt of the Earth is the heartwarming biography of Hieromonk Isidore (1814-1908), the great Elder of Gethsemane Hermitage in Russia. Radiant with Christ-like love and childlike simplicity, Elder Isidore lived in another world, yet kept both feet firmly planted on the ground. He was one of those whom Christ called the salt of the earth (Matt. 5:13) a repository of the rare otherworldly savor of ancient Christianity. In Salt of the Earth, both the life and personality of Elder Isidore have been captured with remarkable clarity by the Elder's spiritual son, New Martyr Paul Florensky (1937). He takes the reader directly into Fr. Isidore's world, so that by the time the book is finished, the Elder is already a dear friend. This revised second edition contains additional material on the Elder by Metropolitan Benjamin (Fedchenkov).

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
