

The Prisoners of Gender

Its not the same old love story when a princess and her guardian exchange bodies due to a botched magic enchantment. Add a clueless maid-servant, along with a half-witted giant who loves pretty girls, and this bawdy, spicy romance takes off with plenty of adventure and situational comedy. Princess Marissa, a virgin, yearns to be a man so she can control her fate. Captain Bardak is sworn to protect her. The caravan is attacked; all are killed, save the princess, the badly injured captain, and Janella, a loyal, but superstitious servant. They are taken captive by the minions of a vengeful man intent on torturing the princess. A spell goes awry, and the captain and the princess switch bodies, although they manage to keep the transformation secret. Can Bardak, in his unfamiliar, frail, female persona, manage to save Marissa, near dead in his battered body, so he can return her form in a virtuous state? Itll be a tough battle, because Marissa quickly learns to enjoy being a male full of testosterone and wants to try out her new equipment. It doesnt help matters that Janella lusts for the captain, not knowing its really her mistress. And even if Bardak succeeds in preserving his virginity, hes likely to be executed by the princesss suspicious, hardhearted father.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
