

Touch Rugby: Everything You Need to Play and Coach

Touch Rugby is a rapidly growing game and an attractive sport to rugby coaches and players because of the core skills it develops and the high levels of fitness it encourages. The absence of contact, the high value placed on developing foundational Rugby skills, and the games capacity to be played by mens, womens and mixed teams makes it the ideal sport for pre-season training and also to the Fitness community more generally. This book is the ultimate resource for players and coaches of Touch Rugby at all levels and stages of the game as well as rugby union and league players and coaches wishing to incorporate Touch principles into their training and approach. The book outlines player pathways from beginner to intermediate to elite. The core fitness requirements of the sport (speed, dynamism and agility) are clearly described alongside advice on programmes that encourage the development of these abilities. An essential buy for every Touch Rugby coach or player!

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
