

## The Core Business Web: A Guide to Key Information Resources

The best Business Web sites at your fingertips 24/7! The Core Business Web: A Guide to Key Information Resources is an essential resource that saves you from spending hours searching through thousands of Web sites for the business information you need. A distinguished panel of authors, all active in business librarianship, explores Web sites in their subject areas, selecting the very best from 25 functional areas of business. Each site was chosen based on the timeliness, relevance and reliability of its content, the sites ease of navigation and use, and the authority of the sites author or publisher. The rapid growth of the Internet has resulted in an ever-increasing number of Web sites offering potentially useful business information. The Core Business Web identifies, evaluates, and summarizes the most significant sites, including gateways or portals, directories, and meta-sites, to organize online resources into easy-to-follow links that allow you to access information quickly. Sites are categorized and listed for 25 areas of business, including: banking commercial banking, regulators, trade associations, international links business law statutes, regulations, decisions, antitrust, corporations, international transactions, labor and employment, tax and taxation, uniform commercial code career information and salary surveys labor statistics, job hunters, career planning e-commerce e-business news, statistics, how-to sites, technology sites, business-to-business sites finance and investments market analysis and commentary, market news, stock screeners, brokers hospitality and tourism lodging and gaming, restaurant and food service small business and entrepreneurship startup information, counseling, funding and venture capital, and sites for women and minority-owned businesses, and much more! The Core Business Web is an

invaluable resource for saving valuable time that's intended for information professionals but can be used by anyone seeking business information online.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
