

# Jerichos Child: A Cozy Regency Romance

Sophie Moore has neither title nor fortune, but she hopes her talent for music will come to her aid, now that she is an orphan and must make her way in the world. But when she finds temporary shelter at the Mayfair home of a friend of her deceased father, she finds her practical plans being waylaid by the family's dashing eldest son, Arthur Wentworth. Arthur, however, is too in love with his cousin, Lady Harrington, to give Sophie more than a glance until a series of mishaps and misfortunes open his eyes, in the sparkling tradition of a Cozy Regency Romance.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
