

Confusing Love with Obsession: When You Cant Stop Controlling Your Partner and the Relationship

Some things don t get better over time. Why do so many women and men obsessively attach themselves to destructive relationships relationships that they cannot walk away from? Why do they pathologically need to control their partners, using whatever means necessary? John Moore helps these people to identify, comprehend and become aware of their destructive behaviors in personal relationships so they can stop the viscous cycle of pain. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
