

How to Spot a Dangerous Man Workbook: A Survival Guide for Women

This workbook is a companion piece to the authors forthcoming book HOW TO SPOT A DANGEROUS MAN BEFORE YOU GET INVOLVED, pub date 12/04. It is created to be used along with the book and also in the authors workshops on how women can make good relationship choices, although it can also be used by itself. Women who date dangerous men fall into many categories, from the teenager to the divorcee, from the waitress to the professional woman. They often move from one category of dangerous man to another, from the violent to the unavailable, from there to the clinger. They need to figure out how to break this pattern, and this workbook serves that purpose. This workbook is a realistic and effective tool for women to break the dangerous man pattern, and contains 22 worksheets/quizzes to lead women to the place where they can effectively create their personal DO NOT DATE list of red flags. See table of contents for specifics.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
