

Say, what?: The Lost Art of Communication

Meaningful communication appears to be on life support. I'm not sure if the dilemma is because so many are uneducated, unaware, or simply don't care. Regardless, the ability to communicate effectively in business, socially, and personally is rapidly becoming another fond memory from the good old days. If you even marginally agree, this book is a must read.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
