

The Altar Boy

Against a Wall Street backdrop of big paydays and bigger losses, *The Altar Boy* is a wry tale of two bankers on the bumpy road to enlightenment: one finding perfection in the personals, the other seeking direction from a couple in their twilight years. Their paths intersect in the person of Cody Meade, an eccentric, lusty woman with a firm grip on what she wants. The result is moving and funny, much like the sound of the heart. *The Altar Boy* is rich with colorful characters who linger in the imagination-- a brisk read for anyone who has experienced the frustration of moving forward while looking back.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
