

The Witch Goddess (Horseclans Series Book 9)

Can Bilis warriors stand alone against the deadly menace of the Witchmen and the mountain savages? Which is mightier--science or the sword? Stranded in a land peopled by wild cannibal tribes and monstrous half-humans, Bili of Morguhn and his small band of warriors have sworn to aid the mysterious Prince Byruhn of Kuhmbuhlun in his war against these savages. But even as they train for battle, another force is on the move--the Witchmen, evil scientists led by Dr. Erica Arenstein and armed with weapons far more lethal than any known to the men of the Horseclans. Bent on recovering a twentieth-century technological treasure trove, the Witchmen will destroy anything that stands between them and their goal. And, if Dr. Arenstein can join the power of the Witchmen with fighting prowess of the cannibalistic Ganik tribes, even Bilis proven warriors may not long survive...
