

A-Z of Liverpool FCs Greatest Pictures

This incredible book is exactly that. From the formative days of the club to the modern era. From Liddell and Dalglish to Gerrard and Carragher. The heroes. The legends. The forgotten men. The action. The drama. The tears. The laughter. The goals. The glory. The unexpected...This is an outstanding collection of the greatest photographs taken in the illustrious history of Britain's most successful football club, Liverpool FC. When it was first published in 2006 in hardback form, this book sold out. This new softback edition has been updated and revised to include some famous images from recent years, including some celebrated victories in Europe and the emergence of one of the world's leading strikers, Fernando Torres. Coming straight from the heart of the club, this official title will appeal to many thousands of Liverpool fans by capturing the essence of what makes this great football club so special.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
