

## Unrealized Dreams

Unconventional and tomboyish, McKay Porters dreams were never more complicated than living on the plot of land her father had set aside for her and being the wife of the man who helped run her ranch. Ashton Hurst only ever wanted to reclaim the land that was meant to be his, and the childhood home that had been kept from him for far too long. His grandfathers mandate being the only thing standing in his way. When McKays prospects of becoming a respectable wife are challenged, her mother sends her back east to live with her aunt and uncle. Her plans are to behave long enough so that she can go home and set up her ranch as she always intended, but when she meets Mr. Hurst, she finds a challenge shes unable to pass up. And they both find out that they have been waiting for their unrealized dreams to come true.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
