

Womens Education in Early Modern Europe: A History, 1500Tto 1800 (Studies in the History of Education)

This book chronicles 300 years of womens education during this time. Barabara Whitehead examines this history from a feminist perspective, pointing to the subversive actions of the women of this period that led to the formation of academia as we know it.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
