

Your Creative Peace: How to Find and Deepen your Creative Voice While Communing with God

Find and Deepen your Creative Voice while Communing with God Find your Creativity and more Peace Christian Artist Creativity Prepare to live life more fully through your creativity and your faith in God. This program guides you to follow your inner urgings to be a creative person while at the same time integrating your creative outlet with your Christian life. THROUGHOUT the program, you will: -explore Gods creativity -explore the beauty and VALUE of creativity -explore creativity as an act of worship -PINPOINT your creative journey -INTEGRATE YOUR CREATIVITY AND SPIRITUAL JOURNEY MORE DEEPLY Unit 1: How to Move More Deeply into your Creative Voice This unit is set up in 5 sections where you will explore a new creative venue or pick up a Creative activity that has long lain dormant. The exercises will accommodate whatever outlet you wish to explore - simply come with the willingness to lean into creating your own creative peace. Through stories, challenging questions and creative exercises, you will begin to learn how to listen to your creative muse, the Holy Spirit. Each week offers three SETS OF exercises to challenge you both creatively and spiritually. The material is available in a format where you can go at your own pace. I also included a section of 10 ADDITIONAL formatted exercises that you can use to extend this time of finding your creative voice or you can use to start your own creativity group. Here are the sections: Section 1: God and Creator Section 2: God as Sustainer Section 3: God and joy giver Section 4: God as one who sees Section 5: God as faithful Unit 2: A Journey through the Psalms with Your Creative Expression This is a 4 week invitation to take your enlivened creative spirit and use it as a devotional time with the book of Psalms. Similar in structure as unit 1, this section begins to deepen the process of allowing

the Bible to steep in your creative process. These exercises will accommodate whatever outlet you wish to explore - simply come with the willingness to lean into creating your OWN CREATIVE PEACE. This unit journeys through the Psalms and is broken down into four sections: Section 1: Why the Psalms Section 2: Breathe Section 3: Waiting Section 4: Movement in Body and Language Unit 3: A Look at the Collaboration Process This unit explores how Creative Christians can work together in the collaboration process The unit chronicles my journey with collaboration and challenges you to ask yourself difficult questions about the reasons you should and should not collaborate and the timing and structure of good and bad collaborations. Section 1: Are you Open? Section 2: Do You Need to Declutter Section 3: Are you Comfortable with Imperfection Section 4: Is There Beauty at the Finish Line? This unit is similar in structure to the first two units Unit 4: Conversation with (More) Creative Christians In 2010, I started to search for other Christians who were integrating their love for the Lord with their creative mediums. I met Jennifer of Studio JRU through an online e-course and approached her with the vision and she was incredibly supportive. So much so that she allowed me to offer a giveaway on her blog. This generous act opened me up to other Christian creatives who longed for this same type of connection. This unit offer interviews with women who have increased my courage to move forward in search of others who love God and express it fully in a creative fashion. These interviews will encourage you whether you are a would-be creative or full fledged creative who loves the Lord through her creative practices. I believe this will cause you to fall in love with God more and encourage you to never let go of your creative peace Want a peek into the book ::My Creative Peace::? <http://mycreativepeace.blogspot.com/2014/08/faith-and-creativity-what-does-your.htm>

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
