

Beach Lane

Three girls with three agendas and the ultimate destination: the Hamptons. Summer in the city? Way overrated. Everybody whos anybody in New York City summers in the Hamptons. Mara, Eliza, and Jacqui all want a piece of the action, all for different reasons. So the girls answer a classified ad to become au pairs. How bad can it be, watching a couple of kids on the beach all day? Theyve got the swank address, the sweet ride, and an all-access pass to the hottest social scene on the East Coast. Its shaping up to be the summer of their lives.
