

Pickles Preserves and Cures: Recipes for the Modern Kitchen Larder

Readers can learn to cut costs by making the most of seasonal ingredients, storing food properly, stocking cupboards correctly, and fully using what they have with this guide to rediscovering lost kitchen skills. Many cooks remember jams and chutneys made by grandmothers and great aunts who also seemed to know exactly how long to boil a ham and how to keep butter, and who had a magical pantry full of secret delights. These skills are increasingly in demand as more people want to make use of homegrown produce, reduce the weekly food budget, or rediscover cooking from scratch. A timely book for the new kitchen revolution, this is not only a celebration of lost skills such as curing, rendering, and pickling and a collection of fantastic recipes (such as Roasted Brine-cured Pork, Green Tomato Chutney, and Salted Peanut Brittle), but also provides advice on stocking a pantry and the best way to store cheese, cooked meats, and vegetables. At a time when everyone is looking to shop more locally, cook thriftily, and still enjoy great food, it is a book for how to live today. Recipes include dual measurements.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
